106 East Second Street

When we commenced business 10 months ago other groceryman said our manager did not know enough to run a successful business, etc.!!!

We must confess that we do not know what to do. People come in such great numbers and our room is small and many of our BEST customers do not get proper attention. We hope they will forgive us and give us another chance to make good.

We have NO ill will toward any merchant in Tulsa and we can see no REASON why any one should always be HOWLING at us. This is a FREE country and we should have a right to buy as we please and also have a right to SELL as we please. Regardless of what others say or do. Our SYSTEM is DIFFERENT. We buy in carload lots and pay cash. We buy for less. We do not credit. We lose nothing. We do not deliver. We save the expense of keeping up AUTOMOBILES and TEAMS. We CAN sell for less and we DO sell for less.

We buy our flour DIRECT from the best mills in Kansas. We SAVE the JOBBERS profits and sell direct to the consumer for LESS than other groceryman have to pay the jobbers for their flour. We sell a carload of flour each week. Our flour is BETTER than Polar Bear, Pride of Perry, North Pole and Main Line. It must be as good as Red Star or bring it back. We sell more groceries than any other store in Tulsa. Come and see for yourselves. Our stock is NEW and CLEAN, and the best in the city and why should a competitor LIE about our stock when so many people who trade with us know the falsity of his statements. You must be pleased with everything you buy of us or your money back. People are coming for miles to see our store and when they see the NEWEST and CLEANEST stock of groceries in Tulsa they are delighted and say they can NOW understand why so many LIES have been published and TOLD about the Traders.
